# Parish Evangelization Plan

We commit ourselves as community to place the Gospel at the centre of all that we do, and make explicit this Gospel wherever possible.

We commit ourselves in each group of our parish to reflect on this mission and to renew what we do in light of it.

We commit ourselves individually to participate in this mission, allowing the Gospel to penetrate our own hearts, and to live so as to be heralds of Jesus and his Gospel to others.

We are also committed to safeguarding mission; that is, every child, young person and vulnerable adults in our community are valued and listened to. Safeguarding mission is our collective responsibility!

# Welcome

Welcome to Our Lady of the Mission Church, Whitford Parish. Our Parish offers an environment in which each person can grow individually and as a member of the community in the Body of Christ. To meet these needs our Parish offers a variety of groups which are listed in this booklet.

Please contact the Parish Office if you are interested in becoming a volunteer or would like to make further enquiries. A Safeguarding Induction and Safeguarding Declaration Form is required before your new volunteer role commences. All information is provided to you from the Parish office. A list of volunteer requirements is listed at the back of this booklet.

Thank you to all our volunteers that help support Our Lady of the mission. Without the support of volunteers in our Parish we would not be able to operate so efficiently, your help and support is always appreciated.

## OUR LADY OF THE MISSION

### *Community Prayer*

God our Loving Father,

Bless all of us gathered here to praise and worship you.

May our community be a welcome home to stranger and friend alike.

May all who worship here be strengthened by the Spirit

to befriend all who come here and to receive them

as Christ Himself.

Through our worship here, may all the suffering,

struggles, pain and confusion of our lives,

encounter the power that will console,

renew and uplift the human spirit.

May our community worship become a channel

to open the hearts of men, women, youth and children

to the vision of God and so to each other,

in love and peace and human dignity.

Amen.
